Dear Parent/ Carer

We recently held a Year 7 parents' evening and we were delighted with the positive feedback and support that we received from families about our academy. Your comments are invaluable to us as we continue to develop and improve the provision that our academy offers.

Many parents were happy with our communication but this was highlighted as an area for further development. We regularly send out our academy newsletter and copies are given to all students and posted on the academy website. In addition we have a Facebook page and also a Twitter feed where important news and event information is also shared; links for both of these are at the bottom of the page. Please could I encourage you to visit these sites for additional information. Our academy website has also been updated and contains lots of information about our academy; the address for this is www.suacademy.co.uk

We would like to continue to gather your feedback about our academy. Please could you take the time to register on the Ofsted Parent View website. This can be accessed at <https://parentview.ofsted.gov.uk/> After registering for the site you will be asked to answer a short survey about the academy. It would be lovely to hear about the areas that we do well in, in addition to areas where we could improve further.

I would like to thank you in advance for your continued support and for taking the time to complete the survey. Please contact me in the academy if you would like any support with the survey and how to access this. I have also put a short guide on how to access the Ofsted website on the reverse of this letter for your information.

Yours sincerely,

Mr S Andrews
Assistant Principal
