

May 2018

Dear Parent/Carer

**RE: Consultation for extension of academy day: Wednesday, Period 6.**

In advance of our Year 9 Pathway's Evening on Tuesday 22<sup>nd</sup> May, I would like to seek your thoughts on the possibility of extending the academy day by one hour for students in Year 10 from September 2018. This would allow us to expand provision in certain subject areas, or to hold robust and tailored intervention for individuals.

As many of you will know, we already offer an extensive Period 6 provision which covers all curriculum areas to the current Year 10-13. Essentially, this would make the Wednesday a compulsory element of your child's timetable. Your child would of course also be invited to the already extensive list of other subjects or extra-curricular activities that exist on other days of the week.

The sessions would be staffed by specialists and would very much be considered an extension of the school day as opposed to a 'bolt-on'. Our popular parents' forum has really helped shape a number of our decisions in recent months, and so we recognise the importance of your voice being heard too. Please could I ask that your response is returned to reception at the academy by Wednesday 16<sup>th</sup> May.

Yours sincerely

Mr M Allsopp  
Vice Principal
