Dear Parents /Carers

As part of our continued programme of intervention and exam support I would like to make you aware of Year 11 and 13 sessions that are taking place during the Whitsun half term break. These sessions will focus on exam technique whilst also looking at previously covered areas of study. Please note that the History session that was due to take place on Friday 1st June for Year 11 students will now not be running. History teachers have ensured that revision and exam materials have been provided during period 6 intervention sessions for students to work on at home over half term.

All Year 11 and 13 students should be planning their time wisely and ensuring that they are regularly revising in all of their subjects. We would welcome your support by encouraging your son/daughter to attend these sessions to help them in their final preparations for their examinations. The sessions that are taking place are:
