Year 8 and 9 trip to the Big Bang Fair

Dear Parent/Carer,

As part of the Science programme we are offering students in years 8 and 9 the opportunity to visit the 'Big Bang Fair' at Staffordshire University on **Thursday 19th June 2018**. This is a valuable opportunity for all students to explore the different careers that are available to them in their future and to expand their knowledge of the Science curriculum and its real world applications. It is a fantastic experience that we believe all students will benefit from being a part of and we would like all students to attend.

We will depart from the academy at 8.30am by coach and return to the academy site at approximately 4:30pm. It is important that all students assemble in the school hall at 8:15.

Students may wear their own casual clothing providing that it is suitable. Students are advised to bring their own packed lunch. However, if a student has free school meals provided, there will be a packed lunch provided on the day.

The cost of the trip is £8 and this includes entry and all travel expenses to and from the event. Please complete and return the consent form to Mr Holdway by Thursday 24th May. Payment will be through Parent Pay.

Yours sincerely,

Mr Holdway
KS4 Co-ordinator in Science

CONSENT FORM – Year 8 and 9 trip to the Big Bang Fair, 19th June 2018

I give permission / do not give permission for my son/daughter.....

Tutor..... to attend the above event on Thursday 19th June 2018.
