

Friday 7th September 2018

Dear Parents/Carers,

As you are aware we have high standards at the academy and your support in ensuring students attend in correct uniform is very much appreciated. However, we must bring to your attention a noticeable increase in facial piercings and would like to confirm the following:

- **No facial piercings**, such as nose or eyebrow piercings, are permitted and this includes clear studs or retainers.
- Students may wear stud piercings in their ears, however bars and larger hooped earrings present a health and safety risk and are not allowed.
- Any student attending with a facial piercing, ear bar or hooped earrings will be expected to remove them and items will be held at reception until the end of the day.

As a final reminder, students are requested to remove coats and hoodies when they are indoors. Mobile phones are to be used only at break and lunch time. Students are able to purchase drinks at breaks and drink water in lessons, but fizzy energy drinks are not to be consumed on site.

Once again, thank you for your continued support in ensuring that students are in the correct mindset for learning.

If you have any questions or queries, please contact us through the Schoolcomms app or by phone: 01543 224700.

Yours sincerely,

Scott Williams
Director of Engagement
