

25th February 2019

Dear Parent/Carer,

Re: World Book Day

We are excited to confirm that staff and students will once again be celebrating World Book Day on Friday 8th March. Students are invited to dress as a character from their favourite book and take part in literary competitions throughout the day. As this is **not a non-uniform day**, donations are not required and any student who does not wish to participate should attend in full academy uniform.

During the academy day, Year 7 and 8 students will also have the opportunity to visit Brown's Book Bus to explore new titles in fiction and all students are warmly invited to participate in this half term's creative writing competition titled The Birth of Spring.

We look forward to sharing photographs and competition winners in the next academy newsletter and on our Twitter page. Thank you for your continued support.

Yours sincerely

Victoria Burns
Director of Teaching and Learning
