

04 April 2019

Dear Parents/carers,

Re: Summer examinations support

As we approach the summer examination period, we wanted to take the opportunity to update you on the support available to both you and your son/daughter to prepare as well as possible for the examinations.

- **Exam advice drop in session** - This will take place on Monday 8th April from 4.00pm to 6.00pm, with staff from a selection of subjects along with your son/daughter's Head of Year and members of the senior leadership team, available to discuss ways you can support students in the final build up to examinations.
- **Easter revision sessions** - These will take place over the two-week holiday between 10am and 2.30pm. Details of sessions offered each day can be found on the enclosed timetable.
- **Timetable adjustments** - From Thursday 9th May students will follow a new timetable which will be tailored to prepare them as well as possible for each examination.
- **Period 6** - Our Period 6 timetable will continue to run after Easter. Details of sessions offered each day can be found on the enclosed timetable or by referring to your child's timetable.
- **Online revision resources** - Students will shortly receive a link via their school email account to allow them access to a range of revision resources online via a laptop, tablet or phone. This will also be provided to your email address where this has been provided to the academy.
- **Breakfast revision** - A free breakfast will be available to students before each morning exam in the academy gym from 8am. During this time students will be able to access subject teachers who will provide some final tips before each exam.

If you have any questions about the content of this letter, please do not hesitate to contact your son/daughter's form tutor or myself directly.

Yours sincerely

Mr Stephen Mitchell (Head of Year 11)
