

10th June 2019

Dear Parents/ Carers,

Re: Year 9, 10 and 12 internal end of year exams

As part of the academy assessment schedule students in Years 9, 10 and 12 will sit internal exams in a range of subjects from across the curriculum between 20th and 28th June 2019. These exams will take place in exam conditions in the sports hall where students will sit their external assessments in later years. We hope that this experience of formal exams gives students the experience of the setting and atmosphere associated with sitting exams. Along with providing an accurate assessment of student progress.

To enable students to be directed appropriately into examination conditions, all students are first required to gather in the gym where they will be guided into the correct locations. For exams which take place at 9am, students are required to assemble in the gym at 8.45am. For exams that begin at 2.00pm students are required from 1.40pm. Students should not worry about the logistics of exams as they will be guided by staff over the coming days.

The dates for the exams can be found on the attached exam timetable.

We suggest that students use their knowledge organisers to carefully revise the content of their exams in all of their subjects. Spare copies of these are accessible from form tutors.

I would like to take this opportunity to wish all of our students good luck in their internal examinations. If there is any further information that you require about any of the content of this letter, please do not hesitate to contact me at the academy.

Yours sincerely,

Mr. R Barnett-Richards
Assistant Principal
