

10th June 2019

Dear Parents/ Carers,

Re: Year 7 and 8 internal end of year exams

As part of the curriculum students in Years 7 and 8 will sit internal exams in English, maths and science. These exams all last 1 hour and will take place in exam conditions in the sports hall where students will sit their GCSE's in later years. We hope that this experience of formal exams gives students the experience of the setting and atmosphere associated with sitting exams.

To enable students to be directed appropriately into examination conditions, all students should report to normal lessons where they will be guided by staff to the appropriate place. Students should not worry about the logistics of the exams; they will be escorted by staff to the appropriate locations. Details of the exams will be described to students in assemblies over the coming days.

The dates for the exams can be found below:

Year 7:

Friday 21st June 2.00pm: Maths
Wednesday 26th June 11.40am: English
Thursday 27th June 2.00pm: Science

Year 8:

Thursday 20th June 2.00pm: English
Tuesday 25th June 2.00pm: Maths
Wednesday 26th June 9.00am: Science

We suggest that students use their knowledge organisers to carefully revise the content of their exams in all of their subjects. Spare copies of these are accessible from form tutors.

I would like to take this opportunity to wish all of our students good luck in their internal examinations. If there is any further information that you require about any of the content of this letter, please do not hesitate to contact me at the academy.

Yours sincerely,

Mr. R Barnett-Richards
Assistant Principal
