

18th October 2019

Dear Parent/Carer,

Re: Revision Guides

As part of the Science curriculum, we are offering year 11 students the opportunity to purchase course revision guides at a discounted rate. We are looking to order these revision guides as quickly as possible to ensure that students have the greatest opportunity for these to have an impact on their preparations for the external examinations.

This revision guide will cover all of the content within the separate sciences curriculum. The discounted rate will be £2.85 per revision guide (one for Physics, one for Biology). This represents a saving from the usual cost of £5.85.

In order to secure the discounted price, we require an indication of who would like a revision guide. Payment will occur **after** we are aware of exact numbers. With this in mind, please could you indicate your preference by Tuesday 22nd October 2019.

Yours sincerely,

Mr Holdway
KS4 Co-ordinator in Science

Revision guides

I would like to place an order for the following revision guides:

(Please circle preference)

Biology Yes/No

Physics Yes/No

Student Name: _____ Tutor: _____

Parent/Carer Signature _____ Date: _____
