

Dear Parent/Guardian

**Eligibility for The Childhood Flu Vaccination Programme 2021-2022 will include:
All Schools – Reception to Year 11.**

Venue – Staffordshire University Academy – School Hall

Vaccination Date: Tuesday 8th February 2022

Vaccination Times: 4pm till 7pm – Drop-in/Walk-in

(If your child attends the session without an adult they will be required to wait 15 minutes after the flu vaccination)

We apologise the date for the flu vaccinations has been delayed but it is not too late to protect your child from flu.

This vaccination is recommended to help protect your child against flu. Flu can be an unpleasant illness and can cause serious complications. Vaccinating your child will also help protect more vulnerable family and friends by preventing the spread of flu. With COVID-19 still in circulation, it is important to reduce the number of those becoming ill with flu this winter to help protect them, the NHS and social care. Research also shows that if you become unwell with both flu and COVID-19 at the same time you may become seriously ill.

This vaccination is free and is a quick and simple spray up the nose. Even if your child had it last year, it is recommended to have the flu vaccine again this year. If your child has a long-term medical condition they can access this vaccine both at your GP surgery or in School. For those children that cannot have the nasal spray, the injected flu vaccine is recommended.

Some people may not accept the use of porcine gelatine in medical products. The nasal flu vaccination is considered the most appropriate vaccine, however if this is not suitable, there is an **alternative injectable porcine free vaccine** available this year. This will be an injection, rather than a nasal spray and may need to be given in a clinic setting, rather than school. If you would like your child to receive the alternative vaccination, please tick the relevant box on the consent page of the e-consent form.

For further information see:

Electronic Consent - The School Age Immunisation Team has implemented paperless vaccination programmes and the use of e-Consent is quick and easy to use, and can be completed on any electronic device.

Click on this link <https://forms.mpft.nhs.uk/> to complete the consent form.

Your school Code is **SS137164**

Please complete the e-consent form by **12.00pm on Tuesday 8th February 2022**

Please ensure that you complete and submit your child's consent form promptly, whether you wish your child to be immunised or not and only submit one consent form per child. If you have any concerns or would like to discuss further please do not hesitate to contact a member of the Immunisation Team on 03001240366 or email school.immunisation@mpft.nhs.uk

Should you have any issues in completing the consent on-line staff will be available on the day to assist the completion of the consent form. The consent form will need be completed by a person who has parental responsibility or be available by phone to complete a verbal consent.

If your child has already received this immunisation via your GP Practice, please contact us at school.immunisation@mpft.nhs.uk or call 0300 124 0366 to advise.

As per Government guidelines, there is no clinical risk to children who receive their Flu vaccination and the Covid vaccination within 5 days of each other

If your child is asthmatic and there are any changes to their health 14 days before the vaccination date YOU MUST contact the immunisation team on 0300 124 0366 as your child may not be well enough to receive the vaccination. These include, if your child:

- **Becomes wheezy**
- **Has required oral steroids**
- **Has increased their asthma medication**

If you have any further questions or need more information, please contact the School Age Immunisation Team rather than the school on 0300 124 0366.
