Dear Parents/Carers

**Re: Year 12 mock exams**

Please find attached the timetable for the forthcoming Year 12 mock exams, which will take place from Monday 6<sup>th</sup> until Friday 17<sup>th</sup> June 2022.

These exams will not only help your child to prepare for their upcoming external exams but will also provide us with an indication of how they are performing, enabling their teachers to support them to achieve the best possible outcomes in the summer of 2023. To fully prepare students for the rigour of external examinations the mock exams will follow the same procedures and regulations as formal exams; students will be briefed on the expectations and procedures in the upcoming weeks.

Students will sit the exams during the academy day and will follow their usual timetable between exams. All students should come equipped for lessons as usual along with the materials they need to revise. If any student is absent during this period, please note that they will be expected to complete their exams upon their return. It is important that all students sit these exams to help guide any further support required.

Please contact us at the academy if you have any questions or wish to discuss your child's preparation for their exams by emailing [info@suacademy.co.uk](mailto:info@suacademy.co.uk).

Kind regards

Thomas Holdway  
Head of Science
